## Why eSafety?

In a society where technology and the online world are playing an increasingly big role in people's lives, schools equally need to be up to speed with latest online trends: both in terms of the **opportunities** they present and the **challenges** they pose.

Teachers should therefore be able to provide their pupils with all the necessary tools to face the **online world** in an **empowered and responsible** manner.

## Content

1. An introduction to online safety
2. Media literacy and fake news
3. Cyberbullying
4. Online relationships and sexting
5. Hate speech and radicalisation

## Information

The course lasts five weeks.

Weekly commitment: 3-4 hours/week

Language: English

Start date: 06/02/2018  
End date: 22/03/2018

## Target audience

Primary and secondary teachers

ICT administrators

School counsellors
